di Automatica e Informatica

# *DAUIN PhD Poster Day*

PhD in Computer and Control Engineering

## *When?*

Wednesday **December 14**, 2016  
from 10:00 to 13:00

## *Where?*

At the second floor of the  
Department of Control and  
Computer Engineering  
(DAUIN)

*Recommended entrance:  
Corso Castelfidardo, 34/D*

DAUIN PhD students at the end of their studies (XXIX cycle) will present and discuss their research activities. The event is an opportunity to discover the PhD program in Computer and Control Engineering and to better understand the research activities carried on at DAUIN. It is open to everyone interested.
